RYA Racing Charter : Competitors should note that BSC implements the RYA Racing Charter and all competitors are required to undertake to sail in compliance with the Charter, which can be found at the front of the RYA rule book (Racing Rules of Sailing 2009/2012).

Certificates All competing boats shall hold a valid measurement certificate, which should be shown at registration.

Safety : A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else reduces this responsibility.

It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching the boat she confirms that she is fit for those conditions and her crew is competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The provision of rescue boats does not relieve the boat of her responsibilities.

Insurance: I confirm that I hold a valid certificate of insurance, effective for racing at this meeting, providing cover against third party risks of not less than £2,000,000.
